Wayne Miller continued his thoughts about the camper EDU assignment. He does not believe the whole camper EDU assignment should be thrown out. However, he does believe it should be worded differently. Mr. Miller still believes that this issue is not a water issue but a code enforcement issue.

Cheryl Yerdon explained that back in 2014 there was a reason they established an EDU assignment for campers. Mrs. Yerdon also explained that in her opinion a camper should be assessed a quarter of an EDU.

A lengthy discussion regarding camper EDU assignments followed.

At the next meeting the committee would like to come to a decision on a recommendation for the camper EDU assignment.

Next Meeting Date: Monday, October 26, 2020 at 6pm.

On motion by Cindy Love, seconded by Roy Narish, and carried unanimously, the meeting was adjourned at 6:41 PM.

Respectfully submitted,

Brittany M. Washburn, Water Clerk
