Others Present: Nancy Ridgeway, John Wood Jr., Dustin Clark, Mike Kastler, and Brittany Washburn.

Meeting called to order by Norma Newman at 6pm. Approval of April 27, 2015 minutes. Motion by Wayne Miller, seconded by Karen Galloway, all in favor.

Public Time: None

Old Business: Dustin Clark handed out maps with results from the surveys, and proposed WD#3 service area. Dustin explained where the majority of property owners wanted water. There was a discussion about which directions we would go with the water lines. Many of the WAC members and Dustin proposed a door to door survey for those property owners that did not reply to the surveys. This way we can get more results to decide where to connect water service lines.

Nancy had a question for Dustin, regarding Creekside's water lines.

Mike Kastler discussed the amount of water allowed for customers in WD#2. WAC recommends 20,000 gallons.

New Business: The next Water Advisory Committee meeting will be held on July 27, 2015, at 6pm.

No other business: None

Meeting Adjourned: Motion made by Jim Forsyth, seconded by Karen Galloway, all in favor, meeting adjourned at 8:01pm.
