

TOWN OF SANDY CREEK

WATER ADVISORY COMMITTEE MEETING MINUTES

Date: August 3, 2015

Place: Sandy Creek Town Hall

Committee Members Present: Norma Newman, Roy Narish, Jim Forsyth, and Wayne Miller.

Others Present: Nancy Ridgeway, John Wood Jr., Dustin Clark, Mike Kastler, Dave Catania and Brittany Washburn.

Meeting called to order by Norma Newman at 6pm. Approval of June 29, 2015 minutes. Motion by Wayne Miller, seconded by Roy Narish, all in favor.

Public Time: Dave Catania spoke about his water bill at one of his properties, which had a leak. He would like to know if he can receive a break on his bill. WAC recommended that he bring this issue up at the next town board meeting.

Old Business: Dustin Clark updated everyone about water districts 1, 2, and 3. WD#1: Restoration work will be completed soon. Contract #5 will have the bid opening on August 12, 2015. WD#2 has set a notice to proceed on August 10, 2015. WD#2 will start construction on Carr Dr. WD#3: Alfred farms are interested in hearing about water in their area.

Mike Kastler gave an update as well; there is an error on the county map with Larry Lacombe's parcel. His parcel needs to have the EDU's corrected. Flushing is done in WD#1, there are 168 hydrants total. Eric Pappa and Brittany Washburn are creating sheets for exercising the hydrants and valves.

The Water Advisory Committee members have been completing a door to door survey for those property owners that did not respond to the surveys. Norma and Wayne received a total of 7 more, "Yes" responses, for in favor of receiving water.

New Business: Water rates for Water District #2: Each EDU allows up to 20,000 gallons of water for \$125, billed every six months. For usage over the maximum allowed, there is a charge of \$6.25 for every 1,000 gallons of water over the allowed maximum.

The next Water Advisory Committee meeting will be held on August 31, 2015, at 6pm.

No other business:

Meeting Adjourned: Motion made by Roy Narish, seconded by Wayne Miller, all in favor, meeting adjourned at 7:43pm.
