Memo To: Sandy Creek Town Board

Date: November 13, 2019

From: Dustin Clark, P.E.
Anthony Young, P.E.
Jacqueline Novak

Project No.: 1001.005.001

Subject: Board Update – Sandy Creek/Richland Joint Water Project

Sewer Project Update:

- Preliminary Engineering Report (PER) has been completed and submitted to NYS EFC for CWSRF IUP listing
- Project received a \$200,000 grant from REDI program for additional planning!
 - Various forms due December 2, 2019
- With REDI grant, outreach program starting early 2020

Water Project Update:

- Activity Completed in Last Month and Current Activities
 - Response to NYSDEC Notice of Incomplete Application has been submitted. A meeting was held with NYS DEC, Towns of Sandy Creek and Richland, and B&L to walk CEHA and discuss application status.
 - 48 hour well test was conducted for Well B-21 in Richland. Preliminary results appear very positive.
 - Contract documents are being reviewed by NYSDOH, NYSDEC and USDA RD.
 - Work continues on project easements.
- Project Financing
 - Coordination with EFC, RD, and Fiscal Advisors continues.
 - Need to develop timeline and steps to increase the maximum project cost.
- Steps to Proceed
 - Obtain easements
 - Final Design completion
 - Regulatory Review / Permitting – through Winter 2019/2020
 - Bidding – Early 2020
 - TARGET Construction Start – Spring 2020
