Motion carried.

Mike Jennings requested an update on Water District #3.

Norma Newman updated the committee with the most recent Barton & Loguidice water update.

The Gokey EDU assignment was discussed. The Water Advisory Committee wants the Town Board to consider a refund of his .50 EDU charge.

Town Clerk Tammy Miller informed the committee that the Town of Sandy Creek is #1 for the most splits and merges in Oswego County. Mrs. Miller also explained the individual lines on the Town & County tax bill.

During the tax collection season, it was discovered that there was a need to review EDU assignments in all water districts. The Water Clerk began this process by reviewing data from the Oswego County real property database. Then the Water Operator and Water Clerk visited several properties that were in question. The committee must do a final review of several properties in Water District #3. The committee will discuss their findings at the next meeting.

A motion was made by Pat McDougal and seconded by Cindy Love to recommend the following EDU changes for Water District #1.

4 Ayes Newman, Miller, Love, and McDougal.
