

**TOWN OF SANDY CREEK
WATER ADVISORY COMMITTEE MEETING MINUTES**

Date: March 28, 2016

Place: Sandy Creek Town Hall

Water Advisory Committee Members Present: Patricia McDougal, Cheryl Yerdon, Norma Newman, and Wayne Miller.

Others Present: Nancy Ridgeway, John Wood Jr., Brittany Washburn, Dan Yerdon, and Keith Collins.

The meeting was called to order at 6:00PM by Chairman Norma Newman with the Pledge of Allegiance.

The Water Advisory Committee welcomes new member Patricia McDougal to the Committee.

Public Comment: Daniel Yerdon of CO RT 15 and Keith Collins of Hadley Road both expressed interest in public water. Mr. Collins had a question regarding where the water for WD#3 would be coming from. We hope that WD#3 will be a joint project with Richland. Richland receives their water from their well site, formerly owned by Schoeller Technical Paper. The well site is located on CO RT 2 in the Town of Richland.

Old Business: Contract #6 for Water District #1 was published on March 21, 2016. The bid opening will be held on April 20, 2016 at 10AM. Contract #6 is to install a transmission line as far north as money will allow. No new customers will be added with this contract.

New Business: Wayne Miller discussed what information he thought should be on the Town website, under the Water District Info page.

The Water Advisory Committee reviewed two property merges.

<u>Tax ID</u>	<u>EDU</u>	<u>Property Location</u>	<u>Property Owner</u>
027.18-01-22	1.0	74 Albro Tract	M. Francher
027.11-05-11	*1.0	21 Richter Dr.	C. Shippee

*Further inspection of 21 Richter Drive is required to make sure that the EDU rate is appropriate.

Next Meeting Date: Monday, April, 25 2016 at 6PM.

Other Business: John Wood Jr., would like the Town to fix his driveway where it has settled where they dug under the road and some clean up at the end of his driveway.

Meeting Adjourned: On motion made by Norma Newman, seconded by Cheryl Yerdon, and carried unanimously, the meeting was adjourned at 7:07PM.

Respectfully submitted,

Brittany M. Washburn
Water Clerk
