

Barton & Loguidice, D.P.C.

Memo To: Sandy Creek Town Board

Date: September 12, 2023

From: Grete L. Day

Project No.: 1001.005.002

Subject: Board Update – CEHA Variance Application

Coastal Erosion Hazard Area (CEHA) Variance Application Update:

- Activity Completed in Last Month and Current Activities
 - B&L met with Town of Sandy Creek, Pete Backus, and Michael Fogel on August 17, 2023 to discuss project progress and recent correspondence with NYSDEC
 - Pete Backus is coordinating water quality testing with other CEHA residents and will provide data to B&L once received
 - B&L completed review of prior application documents
 - B&L is compiling Joint Application for Permit documents for new variance application and developing a list of additional information that may help enhance the application. B&L will coordinate with the Town and CEHA residents regarding any additional information needs.

- Schedule
 - Application development and coordination with Town and CEHA residents re: additional information - September 2023
 - Completion of draft application package - October 2023
 - Submission to NYSDEC - November 2023
