

## **Price Change: Effective November 1, 2015**

### **Inspection fee: \$50**

This fee is now included in the price for new water service equipment.

### **New Service Connection Fee: \$500**

This fee will be added to the total price for new water service equipment, if a tap installation is needed.

### **New Water Service Price Change**

**WITH PIT: \$963.96**

**WITHOUT PIT: \$313.21**

Thank you!
