2025 Municipal Bootcamp Webinar February 27

The MRB Group and Hancock Estabrook are offering free annual training to assist local governments, municipal officials, and planning and zoning board members. The next webinar, "From Big to Small: Translating Comprehensive Plans into Land Use Regulations" will be held on Thursday, February 27 from 6:00 p.m. - 7:00 p.m. **Register here.**

Overall, the program includes ten hours of remote training designed to provide a comprehensive education that encompasses all aspects of municipal governance. Each program in the series will be provided remotely on the fourth Thursday of each month with subject matter experts from MRB Group and knowledgeable attorneys from Hancock Estabrook, LLP. Many topics can qualify for the education requirements for members of planning boards and zoning boards of appeals, who need four hours of training credits each year, upon approval of individual municipalities.
