

North Sandy Pond Resiliency Project

Meeting to consult with the public on strengthening and restoring the beaches and dunes while maintaining the channel.

Thursday, August 16, 2018 4:00 – 6:30 pm

Sandy Pond Sportmens Association, 3201 County Route 15, Sandy Creek NY

This meeting will present and discuss a collaborative proposal, based on input from local stakeholders and experts, to increase the resiliency of the Lake Ontario barrier beaches at North Pond while maintaining the channel between the Lake and Pond. Please join us and add your input.
